

“Bula Bucks”
Gift Certificate Program

Businesses that are members of the Ashtabula Area Chamber of Commerce are welcome and encouraged to accept Chamber Bucks Gift Certificates for purchases of goods and services. Please review the following guidelines of the program and let us know if you would like to be promoted as a “Participating Member” of the Gift Certificate program.

What is the difference between this program and the program the Chamber used to offer? It is the same program with one significant difference; this program is administered in-house and the Ashtabula Area Chamber of Commerce has complete control over the program and administration of the funds from it.

Denominations: Available in \$5, \$10 and \$25. Larger denominations available upon request.

Expiration Date: The date of purchase is stamped on the certificate and is good up to one year from the date of purchase.

Who can purchase them? Anyone! Employers can give them as bonuses, Holiday gifts, safety awards, retirement gifts and thank you gifts. Individuals give them to family and friends for a variety of celebrations. Certificates may be purchased at the Chamber office and they are available all year long.

What happens when a certificate is redeemed at a member business? When a customer presents a gift certificate to purchase goods and services, treat it just as you would if they were giving you a personal check. You will then sign or stamp the back of the certificate and deposit it at your bank just as you would deposit any other checks. You receive 100% of the face value of the Certificates. The Chamber’s intent is to keep customers shopping with and supporting our Chamber Members.

How do customers know the businesses that are “Participating Members?” The Chamber will provide each person that buys a gift certificate a brochure listing each participating member.

Is there a fee? No! It is considered another benefit of being a member of the Ashtabula Area Chamber of Commerce.
