Greater Ashtabula Chamber of Commerce 2026 Board of Directors

Our Chamber is...

A professional business association represented by an elected board of directors, who along with the staff, sets the direction of the organization. The Chamber of Commerce is a membership organization. The members of the Chamber can collectively accomplish what no one could do individually. The strength of the Chamber are the members and volunteers who create a pool of resources from which ideas, energy and changes are developed. Founded in 1887, we continue to promote, support and grow our local business community.

Our Mission...

Advocating for Business by Engaging Our Members and Connecting Communities to Improve Ashtabula County.

WELCOME

*from the Greater Ashtabula
Chamber Executive Director*

It is our pleasure to work with the Gazette to present this beautiful directory celebrating our membership. There are exciting things happening in Ashtabula County and the Greater Ashtabula Chamber of Commerce is proud to be part of the excitement. So much of the great momentum our area is experiencing is because of the efforts of the member businesses you will find in this directory. We are honored to call this group of businesses our members and want to thank them for all their efforts that make Ashtabula County a great place to live, work and play. Our hope is this directory will serve as a comprehensive list of where to go if you need anything in any category of service whether you live here or are visiting.

Sincerely, *Greg Church*

Executive Director, Greater Ashtabula Chamber of Commerce

Testimonials provided by current Greater Ashtabula Chamber Members:

"The Chamber has brought attention to my business in ways I never thought possible. The networking that the Chamber has made possible is incredible. Kudos to the Ashtabula Chamber crew!"

— Michael Roach, Sticky Fingers BBQ & Cafe and Catering

"After receiving the information on the energy savings program through the Chamber, signing up was easy. All they needed was a copy of our utility bills and a signed authorization for them to act on our behalf emailed over. After that we were given choices of how much we could save over a definitive period of time. After reviewing the proposals, we did take advantage of the energy savings program both for our residence and business and will save 300.00 and 400.00 per year respectively. The process was very quick and simple. Thanks Greater Ashtabula Chamber of Commerce for bringing to our attention this great program!"

COMMUNITY CARE AMBULANCE

Community Care Ambulance (CCA) community relations team lives by our Mission statement.

“Community Care Ambulance will provide the highest quality healthcare service to the communities we serve resulting in superior satisfaction.”

We assure service is delivered from the point you pick up the phone until the time your request is completed. Whether it is a request for transportation service, request for education, request for a partner in a shared interest, anything, we strive to assure we deliver the highest quality service possible with one goal in mind. That goal is to improve the patient outcomes in the communities we serve resulting in superior satisfaction.

Community Involvement and Commitment

One of the many ways our company sets itself apart is through community involvement and community commitment. We are here to serve and assist in multiple ways in improving the healthcare of the residents in the communities we serve. Whether it is providing pre-arrival instructions (EMD) for 911 situations, transporting emergent critically-ill patients, non-emergent, wheelchair bound and ambulatory patients, providing healthcare screenings at community events, ambulances for health fairs and special events, providing CPR instruction to the public in attempt to increase survival rates along with education on many other topics including instructor certification, even reading to elementary children at the local schools to help the next generation in development, one question is always asked first: Will this help better the communities we serve, the residents that live in them and improve patient outcomes?

If you feel you have an event, idea, or a need that is aligned with our mission and would like for us to consider assisting you with that, please contact us.

If you have had an experience with Community Care Ambulance, we would like to hear about it.

Serving Northeastern Ohio's Medical Transportation Needs

Community Care Ambulance provides multi-tiered medical transportation services for Northeastern Ohio, bordering along beautiful Lake Erie, CCA is one of the largest providers in the area. CCA is a primary 911 provider for local area municipalities.

The company employs the most advanced technology to assure the quickest response for someone in need of emergent or non-emergent medical transportation services.

Experience Serving Multiple Healthcare Systems

Created as a not-for-profit to serve the transportation needs of the healthcare community, CCA has grown to be the largest medical transportation organization in the Northeast Ohio area with extensive experience in serving multiple healthcare systems with ambulance, wheelchair and shuttle services; municipal 911 contracts; free standing emergency rooms, urgent care centers, and nursing facilities.

Although bigger is not always better, CCA has significantly grown in scope and resources over the decades while at the same time enhancing our clinical expertise and quality through dedicated performance improvement programs.

We are proud of who we are, what we stand for and the communities we serve. We look forward to serving our communities for many years to come.

DONE RIGHT. DONE ONCE.

Remodeling without the stress — clear communication, start to finish.

Most remodels end in frustration — miscommunication, delays, and messy surprises. At MBI Construction, we've built a system that keeps you informed every step of the way. You'll always know exactly what's happening, when, and why. Get in touch today for a consultation and see how stress-free remodeling can be.

for public, educational and historic
preservation uses through the National
Historic Light Station Preservation Act

Help Restore and Preserve the Ashtabula Lighthouse
The Ashtabula Lighthouse: A Beacon of History; A National Treasure

Located on the picturesque shores of Lake Erie, the Ashtabula Lighthouse stands tall as a symbol of our nation's rich maritime heritage. Built in 1905, this iconic structure has guided countless ships and sailors through treacherous waters for over a century. However, time and the unforgiving elements have taken their toll, leaving the lighthouse with an ongoing need for upkeep and restoration.

Preserving a Beautiful Landmark for Future Generations with its striking white exterior and elegant lighthouse, the Ashtabula Lighthouse is not just a navigational aid, but a breathtaking sight to behold. Its timeless beauty attracts tourists from far and wide, offering a glimpse into, and connection to the past. By supporting our restoration efforts, you will ensure that this beloved landmark remains intact, allowing future generations to experience its splendor.

Make a Difference, Volunteer Today for Tomorrow

The Ashtabula Lighthouse Restoration and Preservation Society is calling upon passionate individuals like you to join our cause. Whether you have a background in construction, fundraising, or simply a love for history, there are countless ways to get involved. By volunteering your time and skills, you can directly contribute to the preservation of this historic treasure and play a vital role in safeguarding our maritime heritage.

Occupational Health Services

ARMC is committed to improving the health of our community. Providing occupational health services is one way we can positively impact the population most important to you —your employees.

Our goal is to collaborate with businesses to foster a safe and healthy work environment that reduces work-related injuries and lost-time incidents.

ARMC Occupational Health places a strong emphasis on communication — with the company and the injured employee. We will work closely with you to understand job functions and options for the injured worker to avoid a lost-time claim.

Whether a business has 10 employees or 1,000 employees, ARMC Occupational Health can work with you to create the right injury-care program.

We focus on cost-effective treatment that causes less interruption to daily operation, less employee downtime, less money spent on hiring temporary workers, and ultimately, less money spent on workers' compensation.

Our commitment to a timely return to work speeds healing and helps ensure a faster recovery for the injured worker.

A benefit to ARMC Occupational Health is our extensive network of providers, including primary and specialty care. If an injury needs referral to a specialist, your employee is likely to be able to see a specialist at ARMC rather than have to leave Ashtabula County.
